

Fast Traxx Southeastern Ohio Super Series

The ONLY series that truly cares about the riders. Our series is different because it allows riders of all ages and skill levels to be competitive and receive year end awards. We have over 35 specialized classes that we recognize at our year end banquet. We give awards to the top 5 riders in every class. As well as overall awards, special awards to riders who ride all Super Series events and we also have our special Riding for Ryan Fast Traxx Full Sponsorship that we give to one deserving rider who displays great sportsmanship and a love for the sport.

Every winter we get together for a DAY OF CHAMPIONS to recognize the best riders of the year and provide dinner and a top notch awards presentation. Complete with hundreds of trophies including 6 ft overall trophies and champion number plates, champion coats, tires, gear, grips, and lots more..... There is never a charge to our riders and their families for attending our banquet. Which definitely sets us apart from all other tracks.

We offer bike and quad classes in our super series. Another example of the way we set ourselves apart from other tracks is that we value your time and understand that while racing is what you love to do there are other commitments in our busy lives and our series doesn't force our riders to miss out on family, school or sporting events during the race season. Our series is flexible in that you only need to ride 12 out of 25 events during the season to be eligible for super series points. Our Southeastern Ohio Super Series is designed with the rider in mind.

This season consists of Supercross, Motocross & Grand Prix events. From May til November we have an action packed season full of creatively designed, meticulously maintained and professionally ran events. Norm Bickley owner-operator of Fast Traxx Promotions is the chief operator of Dirt Wurx USA the exclusive race track design and construction firm for Feld Motor Sports. Dirt Wurx designs & builds every course on the AMA Supercross Series Tour, and the World Supercross GP Tour. With over 20 years experience Norm truly has a passion & love for the sport which shows on all three tracks at the Fast Traxx Motoplex Facility.

Our talented and experienced staff take pride in designing & constructing cool new tracks all season and will change the layout of our tracks several times throughout the year. Giving our riders several different courses to enjoy. Fast Traxx employs THE MOST experienced knowledgeable staff. Our entire staff has extensive experience in racing , many still race today. We guarantee that your Fast Traxx Racing experience will be second to none.

We have built our business on a goal to provide the riders of Southeastern Ohio and Surrounding Areas the best experience possible. Throughout his career, Norm always had the dream to bring some of the ideas and innovations he has experienced at the top levels of the sport back to his hometown area and open a facility that would offer riders of all skill levels a really exceptional experience.
